Raphael Tuck & Sons' ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

Chester Cathedral dates from the year 1093, when it was built under the auspices of Hugh Lupus, Earl of Chester, and his wife. Rebuilding operations were begun in 1194, and constant alterations and additions made until 1587. Restorations have also been effected during the 19th century. The See of Chester was created by Henry VII. in 1541.
